Dear parents and care givers,

Welcome back to the start of term 2. We hope that you enjoyed the beautiful weather over the holidays and had a chance to share some outdoors time with your children. This term is jam-packed with events as you can see from the attached term planner. NAPLAN tests for Years 3, 5 and 7 are on Tue 15th – Thu 17th May. We again have Donna with a dance program for students in years 4-7 and a whole school performance on Friday 6th July at 9.00am under the COLA. The reception to year 2 students have swimming at the Marion Centre, the year 3 and 4 students have their overnight camp and many classes have excursions that build on their class program. Invoices and an accompanying letter have been sent home this week which give you an update on exactly what your child's class is involved in.

We are providing a printed copy of this short newsletter so that all families have a hard copy of the Term 2 calendar. From next week we will again e-mail newsletters as always. **You can receive the newsletter on your phone or device by subscribing to the Glenelg Primary School list, by sending a new email to: listserv@lists.schools.sa.edu.au with a message body of: **Subscribe Glenelg PS**** The subject line is left blank. A limited number of printed copies of each newsletter will be available at the office. We cannot add you to the list, this is something you need to do yourself.

I was lucky enough to attend a lunch at Glenelg Football Club last Saturday with the Premier, Steven Marshall. I asked him about the proposed \$7million dollar project for our school – was it still going ahead? He has assured me that it is and we can look forward to this new building (with a lift and connection to the existing building) being constructed at Glenelg to provide us with more room for STEM activities.

Parents and Friends Committee

Just a reminder that next Thursday is the Mothers' Day stall with gifts for \$3. On Friday 11th May it is the Ladies Night – a great fun night for everyone. All
