GLENELG PRIMARY SCHOOL CANTEEN: 8295 3746

Volunteer help is an invaluable resource for the whole school community and contributes greatly to the efficient running of the Canteen. One definite advantage of helping in the school Canteen is being able to see your children in the school environment interacting with their friends. Seeing their faces light up when they come in to visit is very rewarding.

No experience is necessary and any amount of time you could spare would be very much appreciated. It is not necessary to make a long term commitment, a few hours here and there still helps.

A DCSI check is a requirement for all volunteers at school- other 'Police checks' and similar are not sufficient. The Deputy Principal will arrange your DCSI check which is paid for by the school.

If you would like any further information, please contact the Canteen directly or pop in anytime for a chat. Alternatively just fill out the form below and return it to the Canteen.

Thank you
