PARENTS AND FRIENDS COMMITTEE

WHO ARE WE?

The Parents and Friends Committee is a group of people with children or grandchildren of various ages at Glenelg Primary School.

WHAT DO WE DO?

We aim to strengthen the bond of the school community by providing support/services for events such as Father's/Mother's Day stalls, Sports Day, the End of Year Concert etc. We assist in helping to raise funds for the provision of equipment and facilities that the school may require.

WHEN DO WE MEET?

We meet a couple of times a term for a cuppa and a chat (and usually a good laugh). It is a great way to meet other parents/guardians and make new friends.

WHY SHOULD YOU GET INVOLVED?

Being a member of the Parents and Friends Committee is a great way to provide support for the children and staff of the school and for meeting other parents/guardians. Becoming involved in the school community is proven to have a positive effect on your child's education.

We would love to see you at our next meeting for a chat and a cuppa.

We are hoping to see the Parents and Friends Committee grow in numbers. We definitely agree with the motto "The more the merrier"!

Joining the Parents and Friends Committee is easy. There is no need to commit to anything. Simply come along to the meetings that suit you, help out at the events that you can, join our private Facebook page or just come along, listen, share your ideas and enjoy the company. Babies, toddlers and pre-schoolers are most welcome.

We hope to see you there!

If you have any questions or would like to be involved but cannot make the next meeting; please contact us via our Facebook page; Glenelg Primary School Parents and Friends (<https://www.facebook.com/GlenelgPandF/>) . Here you can also access information and updates relating to the school.
