Dear parents and care givers,

Welcome back to the start of another new year of learning and sharing. We welcome just one new teaching staff member this year; Jo Brus, a Performing Arts teacher is joining us from Kadina. The commitment to student learning and to building a positive school community is as strong as ever and teachers are very enthusiastic in their planning for the year. There will be introductions from all of the staff at Acquaintance Night and a map of room numbers in the newsletter next week.

We are also very pleased to welcome 90 new reception children and 31 children across the other year levels and their families to our school. Students have joined us from around the world, throughout Australia, from within our state, from across Adelaide and most from our local area. We feel confident that you too will soon feel like a part of this great school community at Glenelg Primary School.

You may recall that we now produce online newsletters. The newsletter will be available on the website www.glenelgps.sa.edu.au on Wednesday evenings every second week of term. You can also receive the newsletter by subscribing to the Glenelg Primary School list, by sending a new email to: listserv@lists.schools.sa.edu.au with a message body of: **Subscribe Glenelg PS** The subject line is left blank. Printed copies of the newsletter will be available at the office. You may also need to 'unsubscribe' (directions at the bottom of the email) if you have left the school. Sorry but we can't do either process for you.

A reminder that all students need a broad brimmed hat to wear this term. If children are not wearing their hat they miss out on running around at play times and cannot participate during class outdoor activities or PE lessons. Please ensure that your child has a hat with your child's name somewhere on the inside.

Staff at Glenelg Primary School invite you to join them on Tuesday February 12th to meet the teachers in your child's room and find out about the learning program and classroom procedures. More information about this will be in next week's newsletter.

We have had a very smooth start to the year. Engaging learning is a combination of challenge and support – the learning we aim to provide for all learners within our school community. As a staff group we are looking forward to an exciting, busy and fulfilling year of learning.

Kind regards, Rae, Anthony, Paul, Malcolm, Corey and Bobbie

Reminder: After Hours Sports forms due back at school by Monday 4th February
