4-5-2020

Dear families,

Just a short update today, addressing a couple of parent queries.

## **Week 3 and 4 Learning at Home pack collection**

Last week parents of Learning at Home children collected packs on Tuesday, but that's not the case this week, so please don't come to school for the packs tomorrow. On **Friday** 8th May, the new Learning at Home packs containing information and resources for Week 3 and 4 will be available for collection from the Learning at Home collection door (yellow library door). With the substantially reduced number of Learning at Home children now, we will have just two collection times instead of three:-

- Families with surnames A-K come to the COLA between 9:30am and 10:30am
- Families with surnames L-Z come to the COLA between 2pm and 3pm

Please remember to practice social distancing at all times. If the Learning at Home collection door is unattended, please ring the doorbell and someone will come to assist you.

## **Returning completed student work**

Some students will have hard-copy work that is to be submitted to their teacher, while other year levels will predominantly use Seesaw for submitting work electronically. To submit hard-copy student work from Weeks 1 and 2, please use the plastic envelope that was provided in the first Learning at Home pack in Week 1 (clearly labelled with the student's name and year level) and place it in their year level tub outside the Learning at Home collection door during your allocated collection time on Friday of Week 2. Any work in plastic envelopes would then be given to teachers early in the following week.

## **Less COVID-19 updates / Newsletter resumes this week**

It's likely that I'll be sending out less COVID-19 updates now. Of course, if there are important developments or big changes, I will still update everyone. In a small sign of things starting to 'return to normal', I'll be sending out the 'ordinary newsletter' later this week, via this same e-mail list (although it sometimes felt lately like I'd been writing a newsletter every day!) ☺

Kind regards,  
Anthony Fischer  
Principal
