2<sup>nd</sup> July – Last day of  
Term - Early Dismissal  
2.30pm

19<sup>th</sup> July – First day Term 3

23<sup>rd</sup> July – Animals  
Anonymous

28<sup>th</sup> July – 2022 Enrolment  
Information session

## Redevelopment Plans

**Concept plans for the \$7 million redevelopment of Glenelg Primary School have been released by the Minister for Education.**

Below is an extract from "The Advertiser".

A new facility will be built along the eastern boundary of the grounds involving four, modern-designed classrooms as well as additional teacher preparation rooms and breakout facilities. The classrooms will meet the most up-to-date standards in an education facility in terms of the natural light coming through, and sound reverberation controlled so that there is no echo in the rooms. It will have extensive covered areas where students will be able to have an indoor-outdoor learning environment. Rather than building the whole lot on site, some will be built off-site but will arrive like a Lego set, which will hopefully half the build time. Mr. Misso said he was confident students would be in the new spaces by March 2022.

## SAPOL Presentation

On the 29<sup>th</sup> of June, SAPOL community branch will be visiting the school to present to Year 5, 6 and 7 students regarding their personal online safety and educating them on the dangers of child exploitation.

They will also be presenting to families that same evening at 6pm in the school hall. Parents and carers of students any age are welcome and encouraged to attend, especially if your child has free access to the internet and devices, or are in the beginning stages of this phase for your child. ThinkUKnow parent session will provide accurate, relevant, and actionable information to educate the community about online child sexual exploitation. It is recommended that students **do NOT attend this session**. Please see the Seesaw post sent to families on the 15<sup>th</sup> of June for more information and RSVP details.

We feel this is an extremely relevant topic, given the number of students who have personal devices and want to play a role in keeping them all as safe as possible.

Mrs. Elissa Lindegreen

## Mid-Year Academic Reports

It's that time of year again when you will receive your child's report. Academic Reports will be published in the Parent Portal on Monday of Week 10, 28<sup>th</sup> June. Reports will also be emailed. Reports can be saved, printed, and filed as needed or the last four reports can be viewed in the Parent Portal. We no longer print reports. Check the Parent Portal or your email in week 10.

Please take some time to sit with your child and discuss their progress. Read the comments not just the grade. For some, this may be challenging. Some children will be happy and others disappointed. Interpret the information as best you can and highlight your child's strengths or what they are having difficulty with. It's important to be supportive. For some their effort may be more important than the grade. If you think it necessary you may want to have a follow-up discussion with the teacher.

Any parent who has not registered or needs support with the Parent Portal should email our Assistant Principal, Mr. Paul Lendrum. [paul.lendrum235@schools.sa.edu.au](mailto:paul.lendrum235@schools.sa.edu.au)

## Congratulations to our SAPSASA District Netball Team!

Congratulations to Ellie in Room 3 who during week 6, represented our School and District in the SAPSASA Netball Carnival. Ellie was involved in multiple trials leading up to being selected in the District team. She played exceptionally well, as did her team, finishing 1st for the whole competition!

'It was a great experience. I got to play 9 games of netball over 3 days. We won 7 games, drew 1 and lost 1. Overall we finished 1st. I recommend everyone give it a go if you like netball'.

Congratulations Ellie! Such a memorable achievement!

**NETBALL  
IS  
MY  
SUPERPOWER**

## 360 Degree Virtual School Tour

GPS now have a 360 degree school tour that can be accessed via our website:

<https://www.glenelgps.sa.edu.au/>

The virtual tour showcases various locations of our fabulous school for the community and we trust that the extra information will be of interest to existing and new families alike. Please take the time to visit our website and have a look.

Thank you to all the students (and their families who all gave special permission) that assisted us in this image-creation process; you all did an amazing job.

# Crows Cup Footy Carnival

On Wednesday 16th June, 27 Year 5, 6 and 7 girls represented our school in the Crows Cup Girls Footy Carnival, at Westminster College.

17 schools competed on the day, with our girls playing a total of 11 games between both of our teams.

Despite the tough conditions and freezing weather, our girls won 5 of their games!

There was AMAZING sportsmanship, teamwork and positivity from our students for the whole day!

The day was full of exciting tackles, marks and some incredible goals.

Very proud of the determination of our girls, who most have never played footy before!

"It was the best day"

"I didn't want it to end"

"I got my first ever goal"

Thank you to all our families who supported this carnival, with transport and sideline cheering. In particular, a massive thank you to our parent volunteers/coaches, Mike, Anthony, Ana, Erin and Layla.

Well done again Glenelg!

Miss Arnold

## SA-FM Breakfast Broadcast

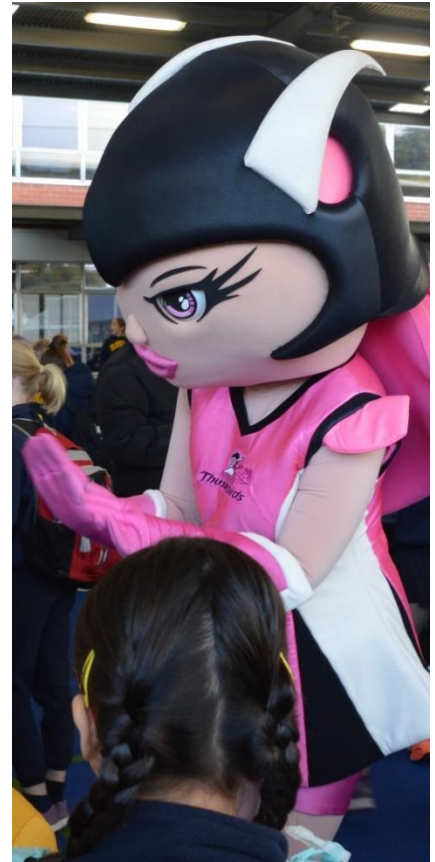

The SAFM breakfast team broadcast from GPS on Wednesday the 9<sup>th</sup> of June was a huge success and lots of students and families came to watch the broadcast. The warm coffee and delicious donuts helped with the bracing weather. We started school a little late that day so that students could see Peter Coombe singing live on the radio.

Mrs Hayes won the Spelling bee against Bec from SAFM ☺

Peter Coombe performing "Wash your face in orange juice"

Adelaide Thunderbirds Mascot

Our wonderful Parents and Friends volunteers

## Lost Property

Pictured above is the current state of our Lost Property cupboards. The staff at GPS diligently clear these cupboards out weekly and all labelled items are returned to their rightful owner.

Sadly, we have a large number of un-named items that are not claimed week after week.

Effective from the first day of Term 3 2021, any items that are placed in the Lost Property cupboard that are not accurately named will be gifted to the second hand uniform shop at the end of every week.

To avoid any unnecessary disappointment, please ensure that all items (clothing, drink bottles and lunch containers) are clearly labelled with your child's name. This will assist with anything that ends up in the Lost Property being returned to the student in a timely manner.

## Second Hand Uniform Sale

Due to the large surplus of second hand uniforms and unclaimed/unnamed uniforms, we will be holding a sale under the COLA on Tuesday the 29<sup>th</sup> of June directly after school.

All items can be purchased for a GOLD COIN donation.

## Canteen – Winter Menu

The canteen has some delicious new additions for winter 2021.

Pumpkin Soup

Vegetable Lasagne

Fish Burger

Cheesy Pizza Panini (Friday only)

Lamb and Fetta Wrap

Chicken Tandoori Wrap

Lunch orders can be placed in your child's classroom lunch box or made online via the QKR app
