Term 3 Wrap Up

Welcome to the last newsletter for this term. A lot has happened since our last edition so there will be many wonderful articles in the following pages.

2023 Sports Day

Sports Day was an absolute success. I hope that you had a chance to pop in and enjoy at least some of the events. Congratulations to **Holdfast** for your win and to all other competitors for your great sportsmanship across the day.

GPS Festival Choir

The school choir delivered an amazing performance at the SA Primary School Festival of Music at the Festival Theatre last week. Performing as part of a choir of 400 students was an amazing experience, with Glenelg students being the biggest school in attendance with 58 performers on stage. Davik and Matilda also delivered wonderful solos on the night, while Davik also performed as part of the primary school's Orchestra. Congratulations to Ms Brus and all the choir students.

Year 6 — Penguin and Starfish Buildings

Penguin and Starfish buildings have been released to the school. Our Year 6 students and teachers have moved into their new rooms, set up their furniture and are now experimenting with layouts and how best to use the new space. All the rooms are big and airy. Definitely worth the wait. The removal of the fences now makes access from Williams Avenue easier for all.

Last Day Term 3

Friday 29th September 2023 - 2.30pm dismissal

Principal: Shane Misso

Deputy Principal: Anthony Fischer

Assistant Principals: Matthew Bannister, Ryan Parsons, Bobbie Beswick

Government of South Australia

Department for Education

Building/Garden Upgrades

The new library areas are also only a few days from completion and we should have most areas back in use for next term. The gardens and some fences are still to come along with new bike storage areas that wrap around the Turtle building.

Replanting of lawn on our oval, and emptying and removing the shipping containers are also set to occur as soon as possible. Our long-awaited security fence project will commence in the coming month, completing the refreshing of our school.

Excursion/Incursion Policy Update

The updated Excursions and Incursion Policy has been approved by the Governing Council and is attached to the newsletter. This document provides families with more details about what type of activities to expect in each year level, when there is an opportunity for a camp or camp-like experience, and provides insight into the approximate additional costs for each year level to assist with family budgeting. The policy has been added to the school website for future reference and attached to this newsletter.

Out of School Hours Sport 2024

A group of dedicated parents met earlier this term to explore how to revive participation in Out of Hours School Sports. A strong desire to have more students and many more parents involved was core to the discussion. A key feature in achieving this vision is for parents to become more active in the program by volunteering to fill the key roles of coach and team manager, while also attending all games and practice sessions to assist and provide encouragement for the children. School sport is a commitment for the whole family.

If you are keen to be involved in supporting any of the following sports in 2024, please email your details and the sport and role you would like to fill to DL.1017.info@schools.sa.edu.au

Sports include: Soccer, Netball, Volleyball, AFL football, Basketball

If we have sufficient interest, we hope to publish more information about registrations, coach training programs, and future parent meetings in early Term 4.

Our Year 1 Students have been exploring places and spaces in HASS and the features of these spaces. We have been exploring the local trees of our school yard and what we love about these natural features, in conjunction with the *Marion Living Smarties* community group's 'Love Our Local Trees' project. In Creative Arts, we photographed our favourite trees from different perspectives and used these images to inspire watercolour paintings, like the Gumtree artworks by Hans Heysen.

Our paintings and the reasons we love these trees will be displayed at the upcoming Nature Festival 2023 event, along with lots of fun free activities, coffee and presentations.

We invite you to join us on Saturday 14 October. Drop in between 11am and 2pm at Holdfast Bay Community Centre on King George Avenue.

Details at www.naturefestival.org.au/event/love-our-trees-celebration-event

Sports Day 2023

Final Scores

Winner — **Holdfast** 356

2nd Place — **Colley** 332

800m Boys Champion - Zeke Z - Holdfast

R-6 Baton Relay Result

1st Moseley

2nd Holdfast

3rd Buffalo

4th Colley

2024 Classes – Opportunity to Provide Information

We will soon start working on the highly complex and lengthy process for making 2024 classes. To help us accurately construct classes, please email DL.1017.info@schools.sa.edu.au as soon as possible if you intend to leave Glenelg at the end of 2023 (excluding Year 6 students).

Leadership and teachers use their knowledge of students and the specific needs of the children to place them into the best possible balanced and productive learning environment. While there is no guarantee that students will be placed 'with best friends', students will be placed in classes with familiar others that they learn well with.

Parents can write a short letter about your child's educational needs for next year. This is not a time to request a particular teacher, but is a chance to inform us of any relevant information in regards to your child's learning situation or placement. With a school as large and complex as this one, we are not able to make promises about children being placed with particular teachers or in specific situations.

For people who may have provided some information in previous years, please do not assume (incorrectly) that we will use any information received from previous years. You need to provide information again this year, incorporating any updates/changes – we always start the placement process for the next year fresh and anew.

Please email the school at

DL.1017.info@schools.sa.edu.au

or write a letter addressed to Shane Misso and mark it 'Private and confidential'. **If you do write a letter or email, please include your child's first and last name and their 2023 Room number at the top of the page.** Information must be e-mailed or given to Front Desk staff at school by the end of Week One next term, **Friday 20th October**, for consideration. Please do not 'chat with a teacher' to provide this information – a written letter or email is the only way we can accept information to consider. Information received after Friday 20th October is not able to be accepted, as the process will have moved onto the next stage by then.

Student Exemptions

Please remember that an Exemption Form needs to be completed for any students having 5 or more planned days of absences in a row. This includes travel and medical procedures. You can request a Form C - Exemption Form from Front Office staff.

PLEASE UPDATE THE FOLLOWING INFORMATION WITH THE FRONT OFFICE IF ANYTHING HAS CHANGED

NIHONGO NEWS 3!

We are very pleased to say that our Hiragana Club has continued to run each Thursday lunch time throughout terms 1-3 this year. We have had many students join us in their own time to continue working through the Japanese Hiragana Karate Belt Challenge. We have had a number of students pass their "Masters" level in hiragana. To pass a "Hiragana Master" test, students needed to recognise all 46 hiragana characters in jumbled order and use that knowledge in a word recognition test. Students who passed this level successfully received a certificate at assembly to recognise their hard work and dedication to learning.

But our students weren't content with just that. As many of them excelled at the Masters level, they wanted a new goal to work towards. So, we introduced the Hiragana Extension Belt Challenge, which then led to the exciting Hiragana Reader Champion level. To reach this advanced rank, students had to conquer the whole hiragana chart, including all the tricky letters that have blends and sound modifications.

When these levels had been completed, the students sat with Jess Sensei or Mrs Ringvall to demonstrate their hiragana reading fluency by reading a Japanese "Reader" book. This is a wonderful achievement and we are exceptionally proud of the students who embraced this new challenge! These students received the "Hiragana Reader Champion" award at assembly to recognise their outstanding efforts.

We want to give a big shoutout to all our hiragana enthusiasts for their hard work this year. The 2023 Hiragana Challenge will wrap up at the end of term 3, but we can't wait to see more students rise to the occasion and embrace the challenge in 2024!

Year 5 & 6 Cyber Safety

Today the Yr 5 students attended a presentation by SAPOL representative, Brett. We would love parents to take the opportunity to talk to your children about what they learned today and reiterate the important messages about:

Only communicating with people that you have met face to face.

Keeping personal details offline.

Being respectful to others online.

Reporting any unusual/uncomfortable/inappropriate activity to a trusted adult.

Thanks, Yr 5 team

On the 18th of September a police member called Brent came to our school to talk about Cyber Safety to the Year 6s. Brent showed us some scenarios that seemed innocent but taught us that not everyone on the internet is who we think they are. Brent also asked the Year 6s if they had any bad situations regarding the internet and gave us advice on what to do. Overall, we all now know to be a lot more careful about what we say online and, if people are saying odd stuff online, to report it. – **Reece R.**

Showcase of My Learning

"It was great to see all of the family members and caregivers attending our Showcase of My Learning on Tuesday. The students enjoyed sharing their learning with those who visited. Thank you to our P&F group for their support in the barbeque as well. **Photos by Rosa T.**"

Reception—Wheels Day

On Friday 15th September, our three Reception classes held a 'Wheels Day' to celebrate the end of our Science topic 'Move it!'

The children were encouraged to bring something with wheels to either ride or play with. We had a wide range of wheels arrive with much excitement. We loved showing our bikes, scooters, skateboards, trucks, cars and even a rolling dog.

After recess we all joined together for a safety chat and to see where the different areas were set up for us to go to. We had scooters on the JP yard, bikes on the COLA, trains and cars under the verandas. We also had some other activities in the shade for when we needed a break from riding like chalk drawing, sandpit trucks, marble run, hoops, block building as well as train and car tracks.

We had an amazing time riding around and playing with our friends. There were lots of smiles and great skills shown keeping everyone safe. It was the perfect way to finish our Science topic on movement!!!

A big thank you to everyone that supported us on the day, including the wonderful children who were so organised getting their wheels in and out of storage.

Sports Day Logo

Special thanks to Phoebe B, Year 5, for designing the 2023 Glenelg Primary School Sports Day Logo!!

GPS Festival Choir

On Thursday 14th September, the GPS Festival choir joined 17 other primary schools to create a mass combined choir of over 400 students, performing for nearly 2 hours at the Festival Theatre. Choir students experienced working in a professional space, seeing for themselves a world of stage directing, conducting, orchestra wrangling, dance troupe coordinating, plus sound & lighting professionals making them sparkle. Parents, friends & staff who made up the audience of nearly 2000, were dazzled by the standard primary students could present as not only a choir, but also the orchestra, dance troupe, many guest artist acts and hosts. Special mention to Daivik and Matilda who took performing to the next level, representing Glenelg Primary as soloists. They were both well prepared, confident and fabulous.

Year 4s, this could be you next year! Auditions will be early 2024.

For those who missed Thursday night's performance, you can see both the Year 4 Holdfast choir & the Year 5/6 choir in action from 11:45 - 12:30pm at the upcoming GPS Fete. We hope to see you there 🎵🎶

Father's Day Stall

On Thursday the 31st of August, our P&F group hosted a Father's Day and Special Persons stall where we could buy some good gifts. There was everything from notepads and pen, lava lamp-style timers, mugs, rulers, and jumpers. Each class had around 5 to 10 minutes to choose their gift for their special person. The feeling of giving is much better than getting. Thank you so much to all the wonderful P+P volunteers for helping GPS students select gifts for fathers and special people on The 23 classes of students love this kind of opportunity and it is only through the help of P+P volunteers that it can happen.

– Patrick K.

Term 3 Playgroup Fun

Thank you to all of our wonderful Playgroup families for other fun filled term.

If you are interested in joining our Playgroup sessions please head to our website to register your interest.

www.glenelgps.sa.edu.au/for-parents/playgroup

Year 6 Production

As part of being a Year 6 at Glenelg you get to do a production, so we have been working very hard to put together "Outback". The production is about Australian history from the First Nations peoples to the current day. We have been learning our lines and actions in Performing Arts, and making props and set pieces in Creative Arts. We are very excited to start presenting in week 3 of next term all around the school.

Tickets are now available for Year 6 families. Remaining tickets will be available to the school community in Week 2, Term 4.

See you 'Outback'. – **Levi M.**

SAPSASA Basketball

On the 10th of August, the Glenelg boys Year 5/6 SAPSASA squad of 12 boys headed to Morphett Vale to compete in the State School Knockout Basketball competition. We successfully ended the day with 6 wins and 1 loss to progress to the next round.

On the 14th of September, the squad then headed to Lightsview for another day of basketball games. This round had harder opponents, and we ended the day with 2 wins and 3 losses.

Thank you to Justin for coaching us and putting in all the effort to get us working as a team in such a short time. We all had a great time and learnt a lot from you. Great basketball was played and memories were made. Thanks to Mr B and Mr Rose for tagging along to let us play the game we love and for supporting us. –

Jayden H., Yr 6

Year 3/4 Basketball

Year 3/4 Glenelg Magic Basketball team hosted by Kelly Sports.

They boys played well all term and won most of their games.

Year 5/6 Netball

Year 5 & 6 Glenelg Netball side. Coaches Sandy Hammat and Sammy Rowe

These girls had a fantastic season being taken up from Division 3 to Division 1.

Another season of school sports is over! Pictured here are the Yr 5/6 netball team and our Yr 4 boys basketball team. We would like to thank the amazing coaches and volunteers that help make this sport possible. – **Rosa T.**

REMINDER: Term 4 Kelly Sports Nominations Closing Soon

- Year 2/3 **Cricket** nominations close this coming Friday.
- Year 2/3, 3/4 and Year 5 **Basketball** nominations close 7th October. Basketball competition commences 16th October.
- Year 4/5 & Year 6 **Volleyball** nominations close 7th October. Volleyball competition commences 20th October.

Raising Money for a World Without Type 1 Diabetes

This October, Glenelg Primary School Mum's Shantel Small (mother of LJ in Year 1) and Rebecca Ireland (mother of Stanley Sullivan in Reception) will be walking 8,000 steps a day to raise money for a cure for Type 1 diabetes.

Type 1 diabetes (T1D) is a chronic autoimmune condition that can develop at any age. There is nothing anyone can do to prevent T1D, and right now there is no known cure for T1D. When someone develops T1D, the immune system mistakenly attacks the body's own cells. In T1D, the immune system attacks the beta cells in the pancreas, which produce insulin. Insulin is a hormone that converts glucose from food into energy for the body. Without enough insulin, glucose accumulates in the bloodstream, leading to diabetic ketoacidosis (DKA), a dangerous condition.

Currently the only approved treatment for T1D is insulin, which needs to be taken forever. However, insulin is only a treatment - it isn't a cure.

LJ was diagnosed with T1D shortly after his 4th birthday, a month after immigrating from South Africa to Australia. His mother, who also has T1D, was able to identify some of the key symptoms and therefore he was fortunate enough to skip ICU and DKA.

Stanley was diagnosed with T1D at 13 months of age. He was in DKA at diagnosis and spent 3 nights in ICU and then 7 nights on the ward before coming home. He is coming up to 5 years of living with T1D this December!

T1D impacts every part of life – including food, exercise, sickness and sleep! It is a constant fight to not let it rule your world. Both LJ and Stanley are fortunate enough to have access to some of the best treatment options in Australia. Both wear an insulin pump and a continuous glucose monitor to improve their quality of life and are passionate about a cure for T1D being found!

We would love for you to join us for this challenge and there are lots of ways to get involved:

Follow our progress and/or donate to our fundraising via the following pages:

Shantel - <https://walk.jdrf.org.au/s/21336/27691/w>

Rebecca - <https://walk.jdrf.org.au/s/16088/27389/e>

Join us and take the challenge this October, you can register at: <https://walk.jdrf.org.au/home>

Take part in the One Walk event on Sunday 29 October at Wigley Reserve, Glenelg by registering at: <https://walk.jdrf.org.au/find-a-walk/sa>

Get in touch via Facebook to follow our progress and ask us any questions!

Come join us one day in October for a walk along the beach!

Stanley raising money for JDRF, holding his phone that connects to his CGM and gives us an indication of his blood glucose levels.

LJ raising money for JDRF, holding his Tslim insulin pump.

Excursion and Incursion Policy

Rationale

Excursions / camps and incursions are seen as a value adding aspect of schooling as they enable students to explore, extend and enrich their learning and their social skills development.

Aims

- To reinforce, complement and extend the learning opportunities beyond the classroom;
- To develop an understanding that learning is not limited to teaching provided by the school, and that valuable and powerful learning takes place outside of the school in the real world;
- To further develop social skills such as confidence, cooperation, resilience, communication, individual and group interaction;
- To further develop problem solving and life survival skills;
- To extend understanding of their physical and cultural environment

Scope

Excursions / camps / incursions can include activities from within the following types:

- Adventure
- Celebratory
- Cultural
- Environmental
- Recreational
- Sporting
- Whole school performances
- Workplace visits

Camps

The following camp and camp-like experiences **may be** offered to children who are enrolled at our school for the duration of their schooling:

- Year 2: Single night camp-like experience (e.g., sleepover or movie night)
- Year 4: Single night away
- Year 6: Two consecutive nights away

Cost expectations for families

Please see below a guide for an approximate 2024 cost range for each student, depending on year level based on 2023 costs and relevant quotes. This could include class specific, year level specific and whole school activities.

2024 outline: Camp / Camp-like experience locked in for Year 2, 4 and 6 (Camps not to be in consecutive years)

Year level	Aquatic Activity	Excursions / Camps	Total
Reception	Swimming (\$40 in 2023)	\$35 - \$85	\$75 - \$125
Year 1	Swimming (\$40 in 2023)	\$35 - \$85	\$75 - \$125
Year 2	Swimming (\$40 in 2023)	\$160 - \$260 (Camp-like experience)	\$200 - \$300
Year 3	Surf Safety (\$9 in 2023)	\$65 - \$115	\$75 - \$125
Year 4	Surf Safety (\$9 in 2023)	\$240 - \$340 (Single night camp)	\$250 - \$350
Year 5	Surf Safety (\$9 in 2023)	\$65 - \$115	\$75 - \$125
Year 6	Aquatics	\$325 - \$425 (Two-night camp)	\$350 - \$450

Roles and Responsibilities

Parents / Caregivers

- Return consent form by the due date specified on the excursion / camp / incursion paperwork.
- Pay in full by the specified date and time (If experiencing financial hardship, make contact with Business Manager / Principal within 5 days of notice issue to discuss options of a payment plan)
- Understand that payments after the closing date **WILL NOT** be accepted and students **WILL NOT** be able to attend.

Volunteers

- Ensure they have the relevant documentation and that this is recorded with the Front Office
- Sign in and out at the Front Office on arrival and return
- Support staff and contribute actively to the supervision and care of students
- Comply with school guidelines

Volunteers are a valued part of the Glenelg Primary School community. If you would like to become a volunteer, please see the Front Office staff for more information.

VACATION CARE PROGRAM

Address Diagonal Rd, Glenelg East SA 5045

Director Ella Brookes

Educators Keely Jenkin, Kelly Lockwood, Jess Montogomerie, Lucy Watt, Lynette Holland, Toni Cox, Sophie Maloney, Emma Wildy, Sotiri Zagotsis, Jordyn Hentschke, Monique Spiniello, Ebony Hutchison & Auriella Finmore

www.happyhaven.sa.edu.au
glenelg@happyhaven.sa.edu.au

SERVICE: 0416 796 542
HEAD OFFICE: 8155 5444

Our Program

The Happy Haven OSHC Vacation Care program provides a warm, caring, fun, stimulating and interesting environment, full of exciting activities and excursions for your children to enjoy during their school holidays. Please ensure you read all the information provided on the program & the consent forms to help you and your children have a trouble free, fun, and successful holiday.

Please contact us for any further information. Extra copies of the program are available online.

Cancellation Policy

Notification of cancellations for *any* vacation care days, **must be made two weeks prior to the day that has been booked**. Cancellations after this date will incur a full fee. This amount will be less your CCS and recorded as an absent day. *Note:* Children are approved up to 42 absence days per financial year, once used full fees will apply.

Opening Hours

We are open 7:00am-6:00pm. We implement a late pick-up fee policy, which is \$25.00 per family for the first 15mins late and \$60.00 thereafter. Please phone and let us know if you are going to be late.

Fees

1. \$68.50 per child per day
2. Childcare Subsidy (CCS) is income and means tested, please contact Family Assistance Office (FAO) on Ph: 136 150 to be assessed.
3. Payment of fees is by Direct Debit and this is processed a week in arrears.

General Information

- Please encourage your child to read and prepare for Vacation Care days so they are well prepared for the activities.
- Please send your child with a **packed recess, lunch & water bottle**. Children are usually very active during the holidays and may also require extra fuel to keep them going. Please do not send your children with lunches that need to be heated or cooked, we cannot heat or cook any food due to WH&S restrictions.
- Please label all personal items so that they can be easily identified.
- We will provide breakfast (before 8:00am) and **fruit and vegetable platters daily** (this is not a substitute to lunch). If an alternate snack is provided, it will be listed at the service daily.
- "Please note that all programmed activities are aligned with the National Quality Standards, My Time Our Place Framework and Early Years Learning Framework to provide a holistic experience."

Vacation Care Information

- Excursion times are approximate – please ensure all children are at OSHC by the scheduled departure time or risk missing the excursion. Buses cannot wait for children who arrive after the time listed.
- Children are not permitted spending money for excursions. *Exceptions will be listed on program.*
- Please send a hat, suitable clothes (SunSmart) and shoes (sneakers), lunch and water bottle for all excursions. Thongs, sandals etc. are not recommended for play. If a child arrives without a hat on an excursion day, one will be charged to your account, and your child will be provided a hat with their name written in it to keep for future excursions.
- For many of our excursions, we join together with children from other Happy Haven run sites.
- We adhere to educator: child ratios, as determined by an individual risk assessment conducted for each excursion. These are available on the site iPad, in the parent area.
