Anzac Day 2024

We were very proud to have a number of students representing Glenelg Primary School at the Anzac Day Dawn Service at Moseley Square. Glenelg Primary commits to be represented at ANZAC dawn services annually as a mark of respect to all those who served their country. The students did a wonderful job of laying a wreath and a bundle of Anzac books at the service. These books will soon be returned to our school by service veterans from the Glenelg / Plympton RSL.

A big thank you to all to the students that attended!

Lest we forget!

Principal: Shane Misso

Deputy Principal: Anthony Fischer

Assistant Principals: Matthew Bannister, Ryan Parsons, Bobbie Beswick

Scholastic Book Club

A friendly reminder that Scholastic Book Club orders are due by May 15th. Your child will love receiving their new books – books they've chosen themselves, sparking a wonderful reading journey. There is so much more to Book Club than just buying books. By participating, you are making a huge difference in your child's life through books and reading, and your purchase gives Scholastic Rewards back to our school for additional learning and literacy resources. Did you know that combined orders from Issue 3 have already raised nearly \$200 for our school? We are excited to put these funds towards brand new books for students to borrow from our library.

The advertisement features a collage of Scholastic Book Club issue covers on the left, including 'Issue 3 2024 Value Pack' and various children's books like 'Dog Man', 'Bad Guy', and 'The Grapes of Wrath'. A red starburst graphic says 'ORDERS DUE BACK BY 15 MAY'. On the right, the text reads 'SCHOLASTIC Book Club LOOP for Parents'. Below this, it states 'LOOP is the Scholastic Book Club Linked Online Ordering & Payment platform for parents.' and provides the website 'www.scholastic.com.au/LOOP'. At the bottom, there are logos for 'GET IT ON Google play' and 'Download on the App Store'.

R – 2 swimming

By - Rooms 3 and 4

This week the Reception, Year One and Year Two students are participating in swimming lessons at the SA Aquatic Centre, Oaklands Park. This program is a great way to teach water safety and basic skills in and around the water to assist children in being safe in pools, the beach, the river and any other wet areas.

"I love swimming week because we get to go under water sometimes." Franklin C, Rm 4

"I love swimming week because we learn to swim and I like swimming in the pool" Jack B-K, Rm 4

Performing Arts

TERM 1 *Cinderella* DRAMA

In **term 1 Performing Arts** lessons, the whole school embraced the theme of '**Cinderella**'. We worked on our acting skills by focusing on **character development, stage placement, voice projection and hand gestures**.

Of course we learnt much more than the elements of drama. We learnt to how to collaboratively look for ways to improve, take turns, understand theatre audience etiquette and delight in the achievements of others.

Our learning culminated in attending a year 6 performance of the pantomime 'Cinderella & Rockerfella'. Such fun while learning :-)

Year 6 Reporters

In Week 11, the Year 6 students presented the Year 6 production titled 'Cinderella and Rockerfella'. Rockerfella tries to find the love of his life, while Cinderella tries to get to the ball. It was nerve racking at first to be performing up on stage. But after a few shows it also felt good to be on the stage and performing live in front of parents, teachers and students.

Thank you to the Year 6 teachers, Ms Brus, Miss Rivett, Mr Parsons and other school staff for giving us this opportunity.

Rida A - Year 6

Creative Arts

Our Year 1/2 students looked at the food themed art by artist Wayne Theibauld. We each created cupcakes that were joined together into a collaborative artwork.

The Year 3/4 students looked at the uplifting and motivational mural art of Kelsey Montague and created wax resist feathers. The feathers were joined into wings that you can take your photo with.

The Year 5/6 students learnt about the mural art of Thank You X that often features cubes and hidden messages or stories. We each created a cube about ourselves that were joined into a mural that you can see downstairs in Shark building near the new lift.

Families – online survey of OSHC service

We invite families who use the Glenelg OSHC service to provide brief feedback on the operations of the OSHC service via this [family survey link](#). It should take no longer than a few minutes.

The feedback will be collated by the department and a summary provided to the school principal and governing council. We thank you for your input which will provide opportunity for the OSHC provider to implement quality improvements in the service.

Please speak to leaders at school if you have any concerns or issues.

The survey due date is **24 May 2024**.

Families can also scan the QR code below to complete the survey.

Today's Mother's and Special Persons Day stall was exceptional. The students loved buying gifts for their special person.

Wishing you all a very Happy Mother's / Special Person's Day on Sunday.
